Empower India Ltd.

Letter from CEO:

Dear Stakeholders,

In the last few years, we have experienced a huge transformation in the business world. We had moved on from the traditional mom and pop stores to Shopping malls a few years ago and now we have accepted online portals as an integral part of our daily life. It would be safe to state that we are in the middle of a digital revolution and it appears to be much bigger than the Industrial revolution of the eighteenth century. We have everything digital around us from shopping websites to entertainment to digital currency. Everything digital is gaining traction in our lives and this digital revolution has already changed our habits substantially.

It is now established that internet driven businesses have huge potential in India. The pace of internet penetration in the country continues to be rapid. After the first 100 million users came on stream in the first decade of this millennium, the next 100 million were added in four years – between 2010 and 2014. The trend is expected to continue in 2016 and by the end of the calendar year one expects 500 million internet users in India- that is a large market that could be services through various ways to create value.

Globally, all dynamic corporations are either foraying into the digital arena or already has significant exposure to this sector. Recognizing the changing trend and business requirements, we have promptly created our presence in the digital arena through empowerbollywood.com. Empowerbollywood.com was commercially launched on 16th May, 2016 and has found wide acceptability among various segments of the media industry. Through empower Bollywood, we endeavor to provide a platform to the media industry, bring transparency in the overall operations and create opportunity for every

participant of the media industry. We aspire to become a one stop shop for all the requirements of the media industry and facilitate smooth conduct of media business.

While Empower Bollywood is our pioneer venture in the digital space, your company is also working on more ventures which are expected to be launched shortly. Empower TradEX is another digital platform in the pipeline which endeavors to facilitate exchange of goods and services in a non-cash environment. We are hopeful that Empower TradEX will help businesses to reduce inventory and offer another channel to improve sales.

We also have strong presence in the food processing sector through Jharkhand Mega Food Park. Hon'ble Food Processing Minister Smt. Harsimrat Kaur Badal inaugurated the Food Park at Village Getalsaud, Ranchi. The mega food park has been set up in an area of 51.50 acres and the park is expected to employ about 6000 people.

Your company is in the process of laying the foundation for the next generation businesses to ensure sustainability and growth for all its stakeholders. We expect the digital businesses to be the back bone of the company's operations; however, this transition will require substantial investments and may need some time for its effect to be reflected in the company's financials.

Best Regards Vinod Shinde (CEO)

EXPLANATORY STATEMENT:

PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

ITEM NO. 4:

As per the provisions of section 20 of the Companies Act, 2013 a document may be served on any member by sending it to him by Post or by Registered post or by Speed post or by Courier or by delivering at his office or address or by such electronic or other mode as may be prescribed. It further provides that a member can request for delivery of any document to him through a particular mode for which he shall pay such fees as may be determined by the company in its Annual General Meeting. Therefore, to enable the members to avail of this facility, it is necessary for the Company to determine the fees to be charged for delivery of a document in a particular mode, as mentioned in the resolution. Since the cost of providing documents may vary according to the mode of service, weight and its destination etc., therefore it is proposed that actual expense borne by the Company for such dispatch will be paid in advance by the member to the company

Since the Companies Act, 2013 requires the fees to be determined in the Annual General Meeting the Directors accordingly commend the Ordinary Resolution at item no. 4 of the accompanying notice, for the approval of the members of the Company.

REMUNERATION POLICY FOR DIRECTORS, KMP's AND OTHER EMPLOYEES

Preamble:

The Board of Directors of Empower India Limited ("EIL" or "the Company") have adopted this Remuneration Policy for Directors, KMP's and other employees.

Definitions:

- "Committee" means "Nomination and Remuneration Committee" constituted by the Board of Directors of the Company.
- "Key Managerial Personnel" of "KMP" means Key Managerial Personnel as defined under the Companies Act, 2013.
- "Policy" means this Remuneration policy for Directors, KMP's and other employees of the Company.

Terms of the Policy:

The Policy represents the overarching approach of the Company to the remuneration of Directors, KMPs and other employees.

Overview:

The Company's executive compensation program is designed to achieve the following objectives:

- φ Attract, recruit, motivate and retain talent.
- φ Reward superior performance and business outcomes; and
- φ Reward behaviors and attitudes consistent with the Company's core values and culture.

Guiding Principles of the Executive compensation program are:

- φ Alignment with business strategy and level of responsibility and impact: As employees progress to higher levels in the organization, their performance has a greater direct impact on the strategic initiatives and business results and therefore an increasing proportion of their compensation is linked to the performance of the Company and tied to creation of shareholder value.
- φ Fixed/Base Salary decisions: the Executive's fixed salary shall be competitive and based upon the industry practice and benchmarks considering the skill and knowledge, experience and job responsibilities.

- φ Pay-for-Performance: A portion of each Executive's total compensation may be linked to the achievement of the Company and individual performance goals. Such variable compensation is "at risk", and rewards performance and contributions to both short- term and long term financial performance of the Company.
- φ Competitive in Market Place: In order to attract and retain a highly skilled workforce, we must remain competitive with the pay of other employers who compete with us for talent.

Remuneration of Executive Directors, KMP and Senior Management:

Executives, unless otherwise decided by the Committee, shall receive a competitive remuneration package consisting of the following components:

- φ Fixed Salary: Fixed Salary rewards the executives for their day-to day job performance and ensures a balanced overall remuneration package. The fixed salary shall comprise of basic salary and allowances as per the rules of the Company.
- φ Personal Benefits: Executives may have access to benefits/perquisites as per the rules and regulations of the Company. Executives may also be entitled to retirement benefits such as provident fund, gratuity and/or such other benefits as per the rules of the Company.

Remuneration of Non-Executive/Independent Directors: The Non-Executive / Independent Directors may receive remuneration:

- $\boldsymbol{\phi}$ $\,$ By way of sitting fees for attending the Board and Committee Meetings;
- ϕ By way of commission as a percentage of net profits of the Company, as decided from time to time by the Nomination and Remuneration Committee; and
- φ In any other permissible mode.

The remuneration payable shall be subject to the provisions of the Companies Act, the applicable Listing Agreement and the approval of the Board and shareholder of the Company, as may be required.

Amendment in the Policy:

The Nomination and Remuneration Committee shall review the policy from time to time and make necessary recommendations to the Board. Any amendment to this policy can be made only with the approval of the Board of Directors of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The US Credit crisis of 2008 is still having its after effects on American and European economies. While these economies are still unable to recover from the setback, the downturn in Chinese economy (leading to steep fall in commodities) and the crack in global crude oil prices have sent shivers in various commodity exporting countries. While, the Global economy has deteriorated with many countries struggling to meet ends, India has stood tall becoming the fastest growing major economy in such turbulent times. While the fall in commodities and crude oil prices have benefitted India as the fiscal deficit has come down substantially the turmoil in the other countries have affected the Indian Exports.

The Indian economy grew at 7.6% year on year as compared to 7.2% in the previous financial year. The services sector continued to be the dominant sector of the Indian economy with 60% contribution to GDP whereas the manufacturing and Agriculture contributed 15% and 12% respectively. While the growth rate is promising, domestic concerns such as rising NPA's and high inflation still remains a challenge to accelerate the growth momentum.

Industry Structure and Developments

Empower India has spread its wings across booming sectors of the economy. It has been engaged in Information Technology and ITES for more than a decade, has made strategic investment in Jharkhand Mega Food Park, forayed into Media and Entertainment Sector through empowerbollywood.com.

Information Technology:

Today the world is experiencing rapid technological developments and new technologies and processes are adopted much faster by people. The digital technology has become an integral part of our lives with most of the goods and services are available online. The continued reduction in the unit cost of hardware, the explosion of network bandwidth, advanced software technologies and technology-enabled services are fuelling the rapid digitization of business processes and information. Traditional business models are being disrupted in every industry with digital and software-based business models. This disruption is characterized by highly desirable user experiences, an extreme scale of cost performance that has become available in every sphere of business. Leveraging technologies and models of digital era to both extend the value of existing investments and, in parallel, transform and future proof their businesses is increasingly becoming a top priority for business leaders. This duality - to review existing core businesses and innovate new businesses - is the essence of what companies are faced with as strategic initiatives today.

This has led to introduction of new products and services which were never envisaged in the past and presents a great opportunity to explore the briskly changing business requirements. We are focused on providing the latest and the most feasible technology solutions to our clients to cope up with the growing business challenges and streamline business processes through introduction of new technologies or upgradation of the existing technologies. We have refined our technology division from being mere a hardware and software supplier to

becoming a Technology solutions company. This strategy will help the company to leverage its existing expertise in software and hardware products to provide various ancillary services to its existing customers and also facilitate acquiring new customers. Many companies are adopting Multi-Vendor strategy to meet their IT needs. This gives providers an opportunity to increase their market share. Focusing on strategic verticals and geographies will also lead to increase in the list of potential customer base.

Food and Agriculture- Jharkhand Mega Food Park:

India has always been one of the top producers of fruits, vegetables and other agricultural products. Even today, after 69 years of Independence, nearly half of the workforce in India is dependent of agriculture as their primary source of income. While India has been one of the top producers, it has always struggled when it comes to storage and processing the food. This resulted in a lot of wastage and unwarranted loss to the farmers. Thus, through the Mega Food Park Scheme, the Government of India has tried to fix this problem by providing critical infrastructure for food processing and storage. The Mega Food Park is a mechanism to link agricultural production to the market by bringing together farmers, processors and retailers so as to ensure maximizing value addition, minimizing wastages, increasing farmer's income and creating employment opportunities in rural sector.

Empower India, in 2010, marked its entry into Food & Agri Infrastructure by acquiring a strategic stake into Jharkhand Mega Food Park Private Limited (JMFPPL). Under the Mega Food Park Scheme introduced by the Ministry of Food Processing, JMFPPL is building a world class mega food park. This food park was inaugurated by Food processing minister Smt. Harsimrat Kaur Badal at Village Getalsaud, Ranchi. The mega food park has been setup with the project cost of Rs. 114.73 Crore in an area of 51.50 acres.

The park will have facilities of multi chamber cold storage, dry warehouse, vegetable dehydration line, modern quality control and testing laboratory and other processing facilities for fruits and vegetables.

The park is expected to provide direct and indirect employment to about 6000 people and benefit about 25000 to 30000 farmers in its catchment area.

With the growing food processing sector, Jharkhand Mega Food Park shall play a very important role to meet the demand for processed foods and curb wastage.

Moreover, given the following positives, there exists a huge potential in the Agriculture and Food Processing Sector:

- The growth of Indian agriculture sector supplemented by several agriculture oriented policy and budget initiatives by Government of India, improving productivity, availability of credit to the agriculture sector;
- ii. A Large population and strong export demand;
- iii. Rise in GDP and purchasing power generates growing domestic potential;

iv. India becomes fast emerging economy given the emergence of Asia as a global manufacturing hub;

Keeping the above in view, your company is gearing up to seize these opportunities and in this regard, it has emphasized focus in re-strategizing to improve productivity and capacity.

While the Company is diversifying in various business segments, the Information Technology segment currently dominates the revenue and profit share. The management endeavors to increase the revenue share from other segments and reduce the dependence on a single segment. This shall also insulate the Company from any sector specific downturn and give stability to its earnings.

Risks and Concerns:

1. Employee Related Risks:

In any industry, the ability to execute projects, build and maintain client partnerships and to achieve forecasted operating and financial results are significantly influenced by the organizations success in hiring, training and retaining highly skilled professionals. The market continues to be highly competitive for attracting and retaining Professionals & this is compounded by ever changing constraints around talent mobility primarily on account of regulatory requirements and also the evolving value propositions.

The Company continues to make investments in performance, reward, learning and talent management practices that support retention of the right talent with right skills, at the right place, right time and right cost. These practices enhance employee competencies, commitment and contributions.

2. Competition Related Risks:

There is fierce competition in every segment of the economy and there is no room for complacency. This bundled with rapid technological developments and changing consumer preferences makes it imperative for the companies to rework business strategies, innovate and adapt to the changing buying behavior of their customers.

Empower's strategy of focusing on growth, upcoming technology, next gen sectors and unique positioning in the market place has further improved its competitive standing.

3. Information and Cyber Security Risk:

Both the number of incidents and the severity of cyber threats are increasing globally and becoming more widespread. This can put the company and the client data at risk, in the event that data confidentiality, integrity and availability is compromised, presenting a risk to the success and sustenance of the Company.

Empower has put in place cyber security systems and procedures to counter any cyber threat and protect client data.

4. Privacy Risk:

Empower's collection, use and transfer of client information, coupled with the dynamic and stringent privacy regulatory landscape, presents an increased risk of non-compliance with privacy related laws as well as damage to brand reputation.

Empower is creating an enterprise wide Privacy Framework, which includes governance, policies and procedures, privacy impact assessment and training. The Privacy Framework reflects existing and emerging privacy and data protection principles and the policies demonstrate Empower's commitment towards protecting employee and client data.

Internal Control and Systems and their adequacy:

The Company has put in place adequate systems of internal control commensurate with its size and the nature of its business. These systems provide a reasonable assurance in respect of financial and operational information, compliance with both applicable statutes & corporate policies and safeguarding of the assets of the company.

The company has a rigorous business planning system to set targets and parameters for operations which are reviewed against actual performance to ensure timely initiation of corrective action if required.

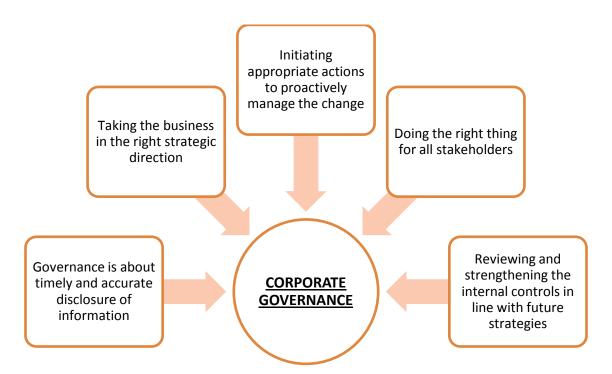

Industrial Relations and Human Resources Development:

The Company enjoys cordial and harmonious industrial relations. Training programs and various initiatives are being taken to create an environment to enhance individual and team performance.

Cautionary Statement:

The statement in the report of the Board of Directors and Management Discussion and Analysis Report describing Company's projections, estimates, exceptions or prediction may be forward looking statement within the meaning of applicable Securities Laws and Regulations. Actual Results could differ materially from those expressed or implied since the Company's operations are influenced by many external and internal factors beyond the control of the Company.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS, EMPOWER INDIA LIMITED

Report on the Standalone Financial Statements

1. We have audited the accompanying (standalone) financial statements of EMPOWER INDIA LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the (Standalone) Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

- 3. Our responsibility is to express an opinion on these (standalone) financial statements based on our audit.
- 4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
- 5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical

- requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
- 7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the (standalone) financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid (standalone) financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit/loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements:

- 9. As required by the Companies (Auditor's Report) Order, 2016 (the Order) issued by the Central Government in terms of Section 143(11) of the Act, we enclose in the "Annexure A" a statement on matters specified in paragraph 3 & 4 of the said order.
- 10. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2)of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - A) The Company has disclosed the impact of pending litigations in its Company Auditors Report. However there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure has been made as per AS-29.
 - B) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

Annexure B to Independent Auditor's Report

Referred to in paragraph 10(f) of the Independent's Auditor's Report of even date to the members of Empower India Limited on the standalone financial statements for the year ended March 31, 2016.

Report on the Internal Financial Controls under Clause (i) of sub - section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Empower India Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

- 3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the standards on auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all materials respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures

- selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

- 6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies an procedures that,
 - (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
 - (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March,2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial

Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. The respective Board of Directors of the Holding Company, its Subsidiaries Companies are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

- 3. Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the standards on auditing deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all materials respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and

- operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained and the reports of the other auditors in respect of entities audited by them, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

- 6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that,
 - 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
 - 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiaries companies, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the

Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India, as it appears from our examination of the books and records of the Holding Company and reports of the other auditors in respect of the other auditors in respect of entities audited by them.
